

# Organization Report

Visualize research, collaboration, and most cited documents across an Organization.

Organization Name: Central Institute for Labour Protection - National Research Institute | Date range: 2017 - 2021 | Include ESCI documents

# Research Performance

## Overview

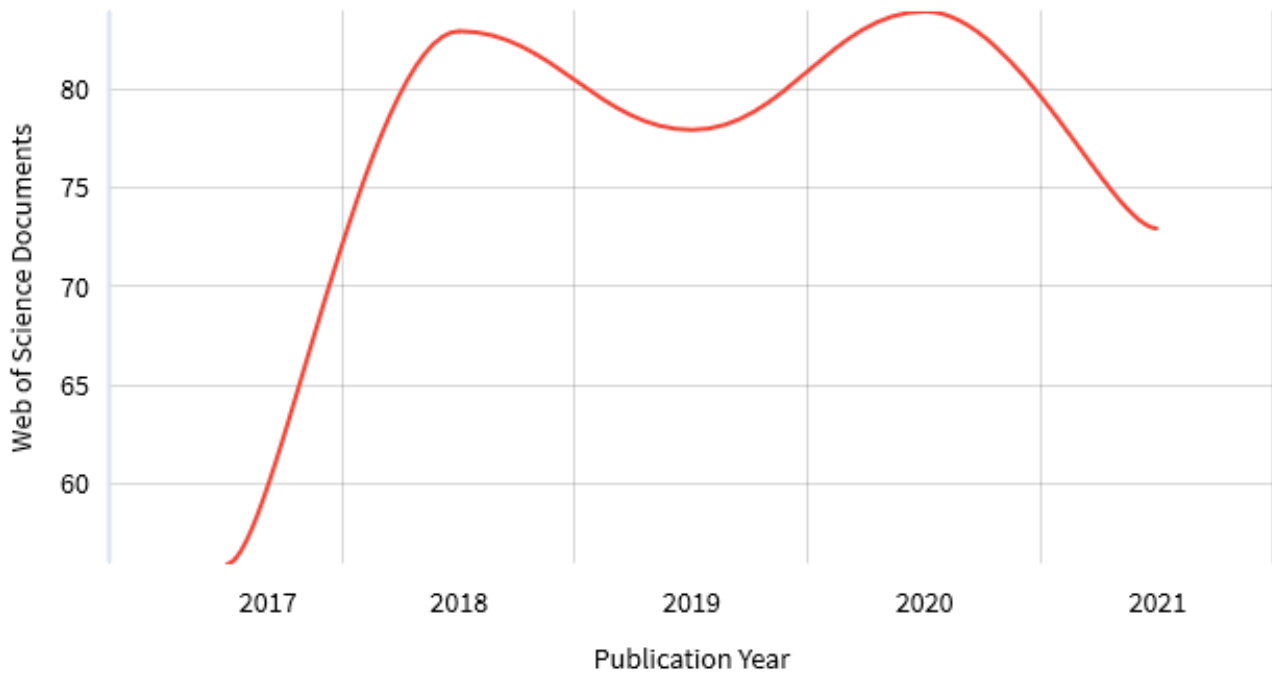

**Documents Published by GIPP Research Areas** In which research area are authors publishing most?

**Documents Published by WoS Categories** In which categories are authors publishing most?

*Box size indicates Web of Science Documents* ⓘ

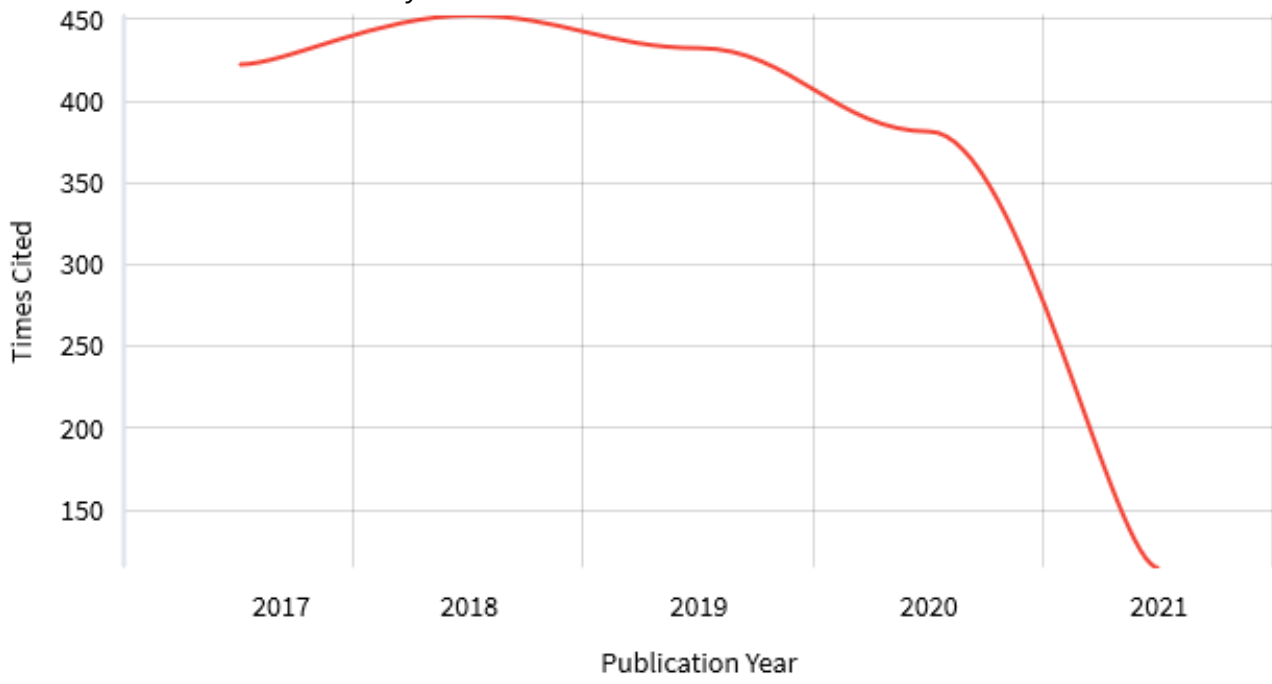

Production

## Documents Published per Year How many documents have authors published?

● Central Institute for Labour Protection - National Research Institute

**Times Cited Per Year** How many times have authors been cited?

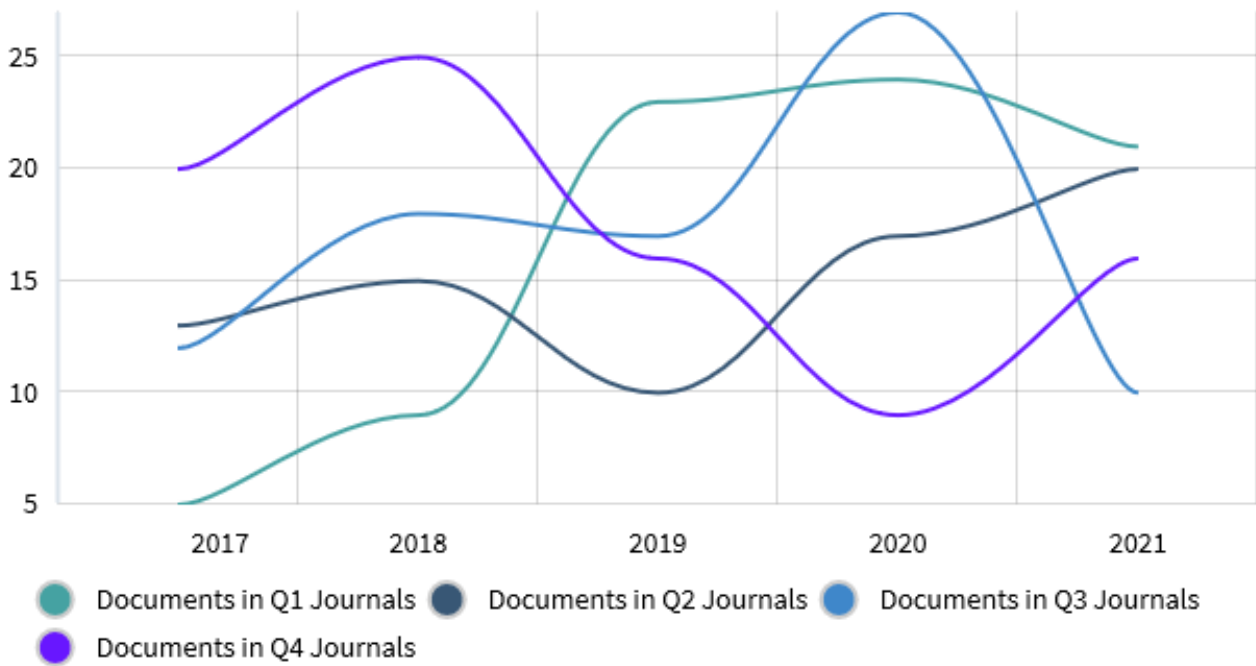

● Central Institute for Labour Protection - National Research Institute

### Category Normalized Citation Impact per Year What is the citation impact?

- Global Baseline
- Baseline ( POLAND )
- Central Institute for Labour Protection - National Research Institute

**Documents Published per JIF Quartile per Year** How many documents have authors published in highly cited journals?

**% of Documents per JIF Quartile** What percentage of documents have authors published in highly cited journals?

**Category Normalized Citation Impact by GIPP Categories** In which categories are authors having the most citation impact?

Box size indicates Category Normalized Citation Impact ⓘ

**Citation Topic WordCloud** The micro citation topic word cloud based on the Organization

Source

Reputation Survey

**Research Indicators** How does documents published and citation impact compare to institution demographics?

Central Institute for Labour Protection - National Research Institute

**Teaching Indicators** How does teaching reputation compare to institution demographics?

Central Institute for Labour Protection - National Research Institute

# Collaboration

## International Collaboration

**Collaborations by Country/ Region** Where are co-authors located?

**% International Collaborations per Year** Are international collaborations more frequent than the global and country average?

- Global Baseline
- Baseline ( POLAND )
- Central Institute for Labour Protection - National Research Institute

**Collaborations by Country and Research Area** Are international collaborations focused in particular research areas and regions?

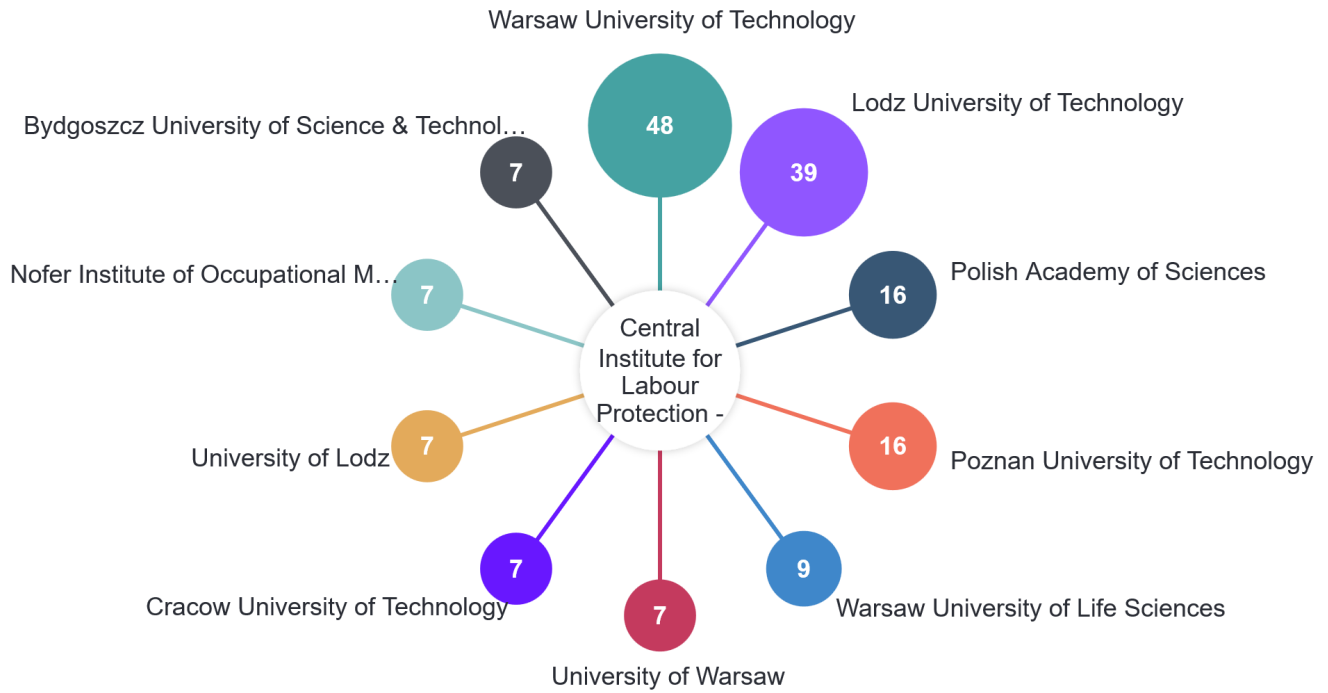

Collaborating Institutions

## Top Collaborating Organizations Who are most frequent collaborating organizations?

**Top Collaborating Academic Organizations** Who are most frequent collaborating academic organizations?

**Reputation Survey**

**International Mix** How does international collaboration compare to the institution's international demographics?

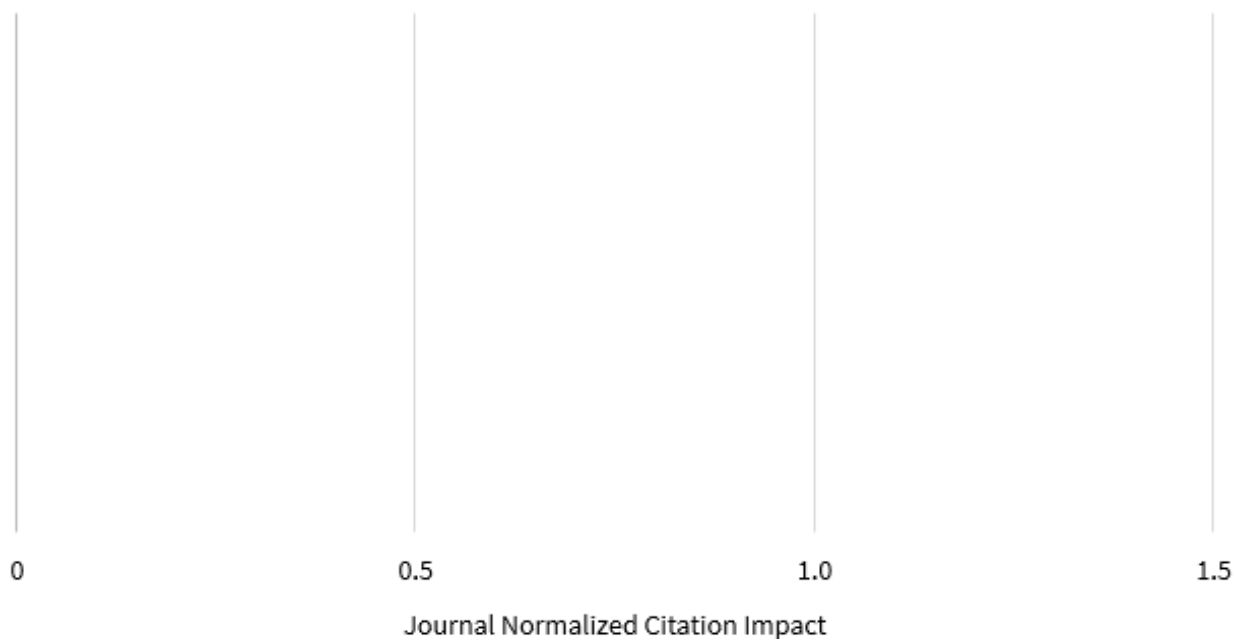

Central Institute for Labour Protection - National Research Institute

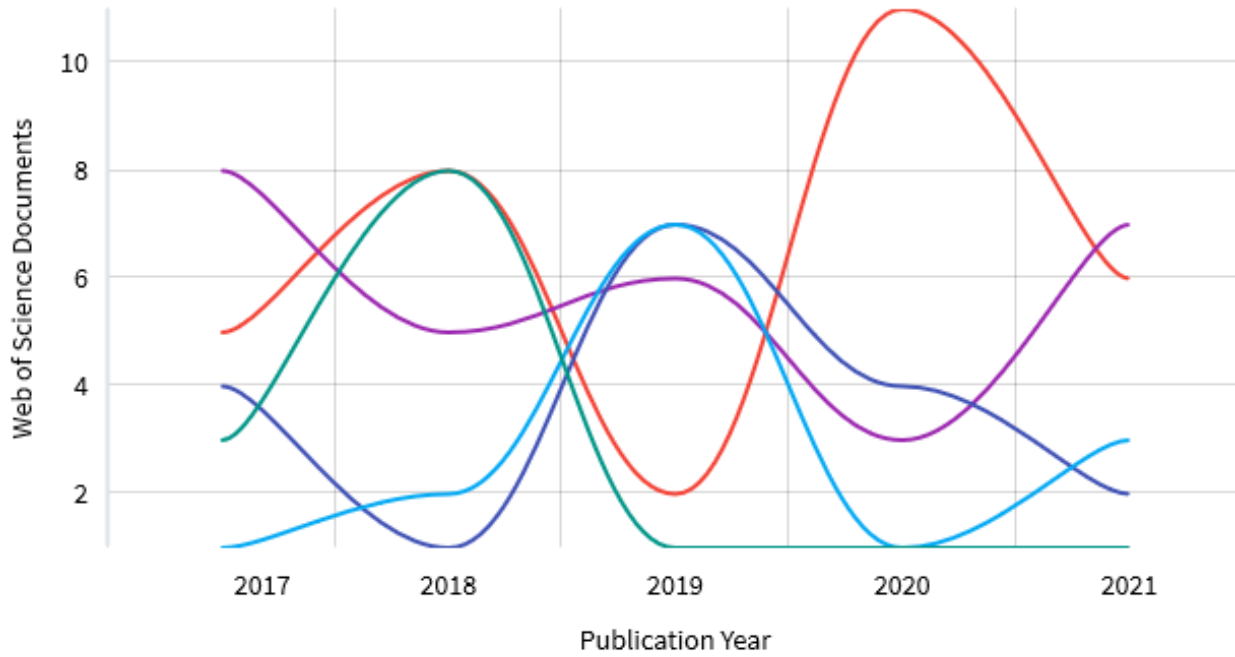

# Journal Utilization

## Journal Performance

**In which journals do Central Institute for Labour Protection - National Research Institute authors outperform the average journal citation rate?** Journals are ranked by Journal Normalized Citation Impact, identifying journals where the selected institution is having the most impact with respect to other documents published in the journal.

**In which journals do Central Institute for Labour Protection - National Research Institute authors publish most frequently?** Journals are ranked by the number of documents the selected institution has published in each journal.

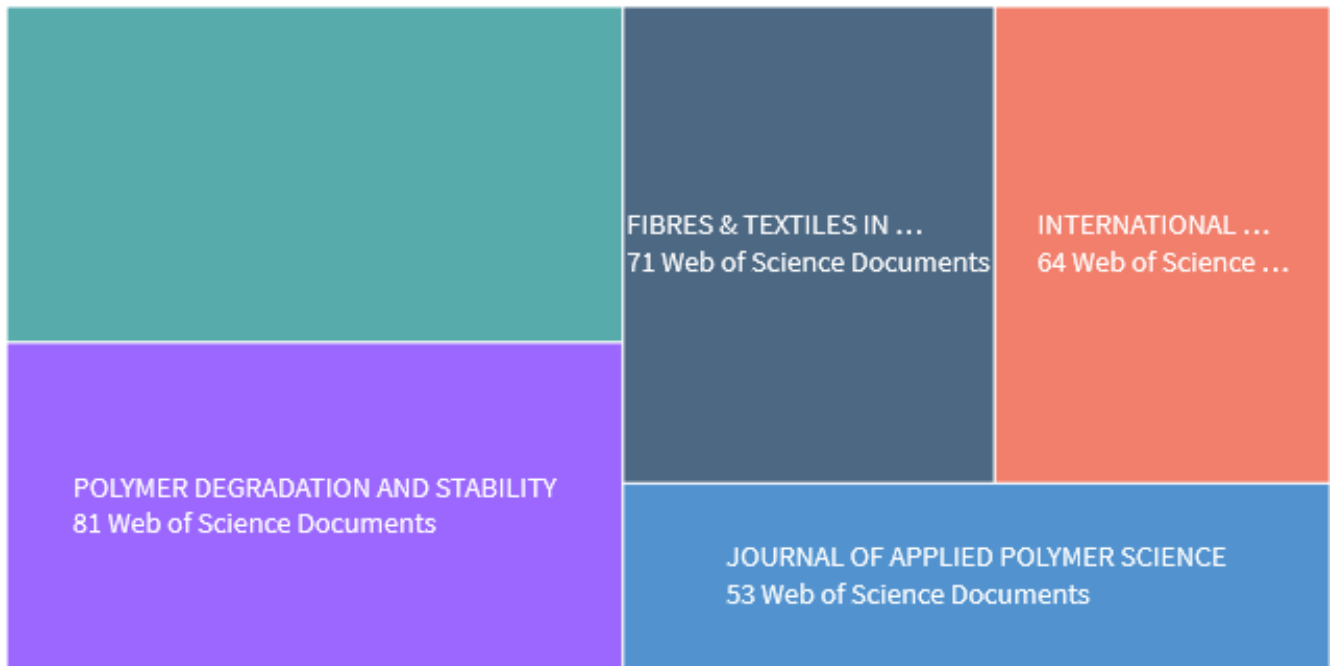

- INTERNATIONAL JOURNAL OF OCCUPATIONAL SAFETY AND ERGONOMICS
- MEDYCINA PRACY
- FIBRES & TEXTILES IN EASTERN EUROPE
- INTERNATIONAL JOURNAL OF ENVIRONMENTAL RESEARCH AND PUBLIC HEALTH
- PRZEMYSŁ CHEMICZNY

## Cited Journals

**Which journals are Central Institute for Labour Protection - National Research Institute authors citing?** Cited journals are ranked by the number of Web of Science documents cited by the selected institution and includes documents cited 2006 to present by documents published within the time period selected.

Box size indicates Web of Science Documents ⓘ

**Are Central Institute for Labour Protection - National Research Institute authors citing recent or older material?** Cited journals are ranked by the number of Web of Science documents cited by selected institution. Included are documents cited 2006 to present by documents published 2006 to present irrespective of the time period selected.

- PLOS ONE
- INTERNATIONAL JOURNAL OF OCCUPATIONAL SAFETY AND ERGONOMICS
- FIBRES & TEXTILES IN EASTERN EUROPE
- POLYMER DEGRADATION AND STABILITY
- MEDYCZYNA PRACY

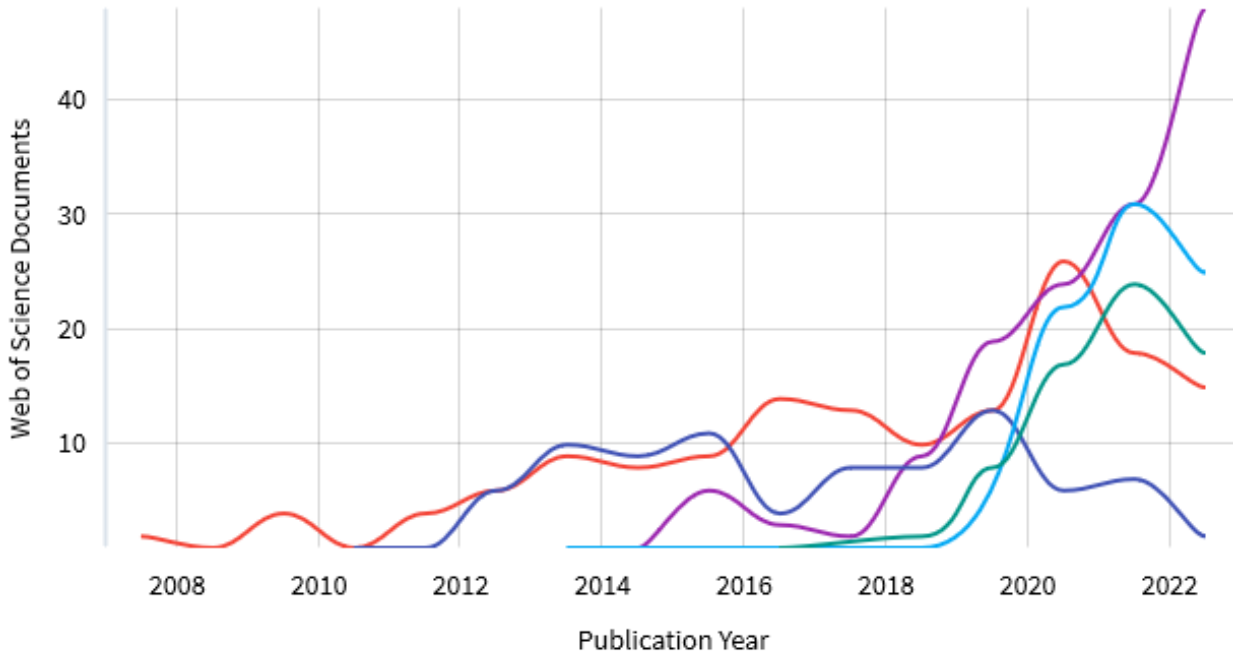

## Citing Journals

**Which journals are citing Central Institute for Labour Protection - National Research Institute authors?** Citing journals are ranked by the number of Web of Science documents citing selected institution and includes documents published 2006 to present that are citing documents published within the time period selected.

- MATERIALS
- POLYMERS
- INTERNATIONAL JOURNAL OF ENVIRONMENTAL RESEARCH AND PUBLIC HEALTH
- SENSORS
- MOLECULES

**Are Central Institute for Labour Protection - National Research Institute authors being cited by recent or older material?** Citing journals are ranked by the number of Web of Science documents citing selected institution. Included are documents published 2006 to present that are citing documents published 2006 to present irrespective of the time period selected.

- INTERNATIONAL JOURNAL OF OCCUPATIONAL SAFETY AND ERGONOMICS
- INTERNATIONAL JOURNAL OF ENVIRONMENTAL RESEARCH AND PUBLIC HEALTH
- MEDYCZYNA PRACY
- MATERIALS
- POLYMERS
